

Planned Parenthood sells baby parts.

I'm sure you've seen the undercover videos showing Planned Parenthood doctors callously discussing how to dismember aborted babies and sell their body parts for profit.

This protest will be one of OVER 150 events coast-to-coast on August 22, in cooperation with a coalition of more than 40 pro-life groups.

This is going to be the largest national protest of Planned Parenthood this country has ever seen. You don't want to miss it!

EVENT: New York City #PPSellsBabyParts Protest

WHEN: Saturday, August 22, 9:00 to 11:00 a.m.

WHERE: Margaret Sanger Center, 26 Bleeker St.

Between Mott and Elizabeth Streets

Come out August 22, and bring your friends -- especially those who haven't been out on the front lines at an event like this before.

We may never have a better opportunity to strip Planned Parenthood of their massive \$500 million taxpayer subsidy and expose the truth about this corrupt organization.

Mark your calendar, "Save the Date," and plan to come out for the #PPSellsBabyParts protest in New York City on August 22!
